American Education Week is celebrated November 16 - 22. During this week, the National Education Association showcases the importance of providing every child from kindergarten through college with a quality public education.

Thanksgiving is a holiday celebrated on the fourth Thursday in November. To find some new recipes, games or crafts for your Thanksgiving [click here](#).

Did you know that November 19th is pencil day? The pencil was invented on this day in

1895.

→ Spotlight On . . . Todd Kruse | Sales

Todd Kruse started at PartStock in July of this year. Prior to PartStock, Todd spent eight years in Real Estate (as a Broker/Agent/Owner). "As a life-long entrepreneur, I'm hopeful that my previous business experiences can add value to both our customers and our company. I definitely understand the value of a customer and what it takes to make them happy".

Todd works with Devang Shah, Vice President, and Erica Thalmann, CSA, forming a three person team. His typical day includes sales, order processing and customer service. In addition, Todd is working with Devang and Erica to remain in contact with current customers.

Away from PartStock, Todd has been married for 11 years and has 3 beautiful kids. "Typically, my wife and I spend our free time "chasing" the kids around and having fun with our friends!"

We hope you enjoy our newsletter. Please [contact us](#) if you have any comments or questions.
